**Important events to be reported:** Signing of an intent to sell a project company for the development of a BESS System

The management of Electro-Alfa International S.A. (hereinafter referred to as the "Company”) informs investors of the signing of an intent to sell its 100% stake in SOLAR TECHNOLOGIES CONSULTING S.R.L. (“STC”). The acquisition of STC was previously announced by the Company through Current Report no. 09/2026, available **HERE**.

STC holds the rights and permits required for the development of a battery energy storage system (“BESS”), with an installed capacity of approximately 50 MW/100 MWh, located in Șelimbăr, Sibiu County

Under the signed documents, the Company and its contractual partner have expressed the intention to cooperate in order to continue developing the BESS project and, subject to the fulfilment of the agreed conditions, potentially complete a transaction involving the transfer of the project and STC to the contractual partner.

At this stage, the project remains under development, and completion of the potential transaction is subject to the fulfilment of the applicable conditions precedent and the completion of the steps required for the project's development, including obtaining the relevant approvals and satisfying the other requirements agreed between the parties.
